**Minutes of Meeting Held
June 13, 2017
Dixon, CA**

Secretary Janet Radford called the meeting to order at 7:40 p.m.

MEMBERS PRESENT:

Janet Radford, Steve Coombs, Ellen DeLong, Tom Miller, Gwen Melshaw

APPROVAL OF MINUTES: Ellen made a motion to accept minutes; Seconded by Tom. Motion Passed

Communications: None

TREASURER'S REPORT: Bob sent a treasurer report. Other than bills for Santa Barbara show there were no new bills to be paid.

CCC: Meeting held May 20 at Turlock Country Club. Janet attended. Treasurer's report shows that the banquet made a profit of almost \$1000. Jean is still looking for pictures to post on CCC website. Committee discussed awards for 2017. Janet brought a custom saddle stand that can have the horse's portrait on it or the same person does custom portraits. These were just ideas. We do not have sponsorships for saddles and the committee agreed that if we don't have sponsorship prior to the show year we should not give saddles as it is unfair to award saddles to one category and not the others.

Discussion regarding 2018 show dates. Most clubs gave same dates but are unsure about next year. CPHA is unsure about the Santa Barbara show next year due to the Goldmine Show sponsored by SJPHC being held just 4 days after our show. CCC did not approve it for points and won't unless dates are moved. We will re-visit at our next meeting. The APHA calendar shifts next year but many clubs won't be moving due to arena contracts, etc. We discussed the directory and the comments were very favorable – we are hopeful that now that people have seen the product they will be willing to advertise this coming year. CCPHC asked clubs what they gave for awards and whether they gave class awards- most clubs said they don't give class awards but do high points. Also a discussion about what clubs are paying for judges – this open conversation helps clubs know what other clubs are doing and by sharing information we can save money and get ideas.

SHOW COMMITTEE: Janet reported that the April show was a success both in numbers and financially. Having the Quarter horse classes helped and they were very appreciative of our efforts. The "Wheel of Fortune" was a big hit. Dave Ragsdale did an outstanding job on the BarBQue and treated everyone to his special pasta recipe! The Santa Barbara premium is in the mail and we are hoping for a good turn out but are concerned because of the Goldmine Show which starts just 4 days later. Jennifer Mendes will be the show secretary for that show. Club voted to send the Gilbertsons a nice gift basket to thank them for their years of service to our club. Hotel costs are so high in Santa Barbara it costs the club close to \$8000 for staff and judges hotels. Even Motel 6 is in excess of \$200 a night!

NEW BUSINESS: Gwen gave her report on the workshop/convention. She was unable to make it to our Feb. meeting because of the flooding in her area. World show will be in Sept this year. Motion was passed to a wait of 3 years before someone could get their amateur card back. A new color rule was passed-a foal with 2 paint parents can get

regular papers once they are DNA tested and have some paint traits. These horses can show in regular classes. Breeders Trust adjusted their fees. George Ready resigned as President. The APHA headquarters has moved to the stock yards and they are now renting out the old headquarters.

Meeting adjourned at 8:35p.m.

Respectfully submitted

Janet Radford

CPHA Secretary
